

## **CORVEL advised SunEnergy regarding sale of solar park**

SunEnergy Europe GmbH sold a solar park with a capacity of 8 MW in Meldorf, Schleswig-Holstein, to Solar-Energie Nord GmbH & Co. KG (“**Solar-Energie**”). DZ Bank and VR Bank Niebüll provided debt financing. SunEnergy and Solar-Energie provided equity. The park is fully operational since spring 2010. Solar-Energie plans to market the park through a closed-end investment fund.

CORVEL advised SunEnergy regarding all legal aspects of the project, including project financing.
