

CORVEL advised alstria on real estate disposals

CORVEL has advised alstria office REIT-AG in the first three quarters 2009 on the sale of four office buildings. These single asset transactions were concluded with four different purchasers. The overall purchase price exceeds EUR 45m. Three of the sold assets are located in Hamburg and one asset is located in Berlin. These transactions account for roughly 15% of all investments in the Hamburg real estate market year to date.
